

Annual Banquet & Annual Awards

At the conclusion of each year, the Chamber Board and community leaders begin to reflect on the accomplishments that were achieved in San Angelo. During dinner, the Santa Rita Boys will entertain the crowd with a their blend of classic rock and oldies.

From The Chairman

Team San Angelo

Welcome to the New Year! I am excited about the opportunity to lead the Board of our great organization in 2011, and to serve as a catalyst for getting things done through the Chamber for San Angelo.

Jim H. Hughes
Chairman of the Board

In thinking about how to best address our goals as a Chamber and community this year, I have chosen the theme *Team San Angelo*. As our economy continues to improve, we need to work as a well-oiled team to stay ahead of the pack in our competitive global economy and business environment. You will see elements of this theme throughout the year in our regular and special activities, so jump in where you'd like, and thank you for continuing to support our community with your efforts and your dollars.

As we look back at 2010, it's fair to say that the San Angelo economy has turned a corner and is slowly improving. Retail sales and overall employment are up slightly, while commercial permits and tourism indicators are still down compared to 2009, but not by huge margins. It's also fair to say that we are making a difference through the activities and programs of the Chamber—a difference that is measured both in our business barometer, and in the minds of our members who depend on us for direct services, networking opportunities, and impacting the economy as a catalyst for growth. Thanks to Bryan Horner for his leadership this past year, and to past chair Stacie Elkins, who now rotates off the board following four great years of service.

Here are some activities to help you begin the year:

- You are cordially invited to attend the Chamber's 95th annual meeting and Banquet sponsored by Angelo State University on Thursday, January 20, at the C.J. Davidson Center on the ASU campus, from 7 to 9 p.m. You will enjoy a delicious meal and cash bar, a fast-paced summary of 2010 recognizing Chamber accomplishments and people who made things happen in San Angelo, and great entertainment provided by the Santa Rita Boys. Tickets are \$35 per person, and reserved tables of ten are \$400.
- Join us for the January Business @ Happy Hour taking place at the Habitat for Humanity office located at 401 North Chadbourne. There will be a cash prize of \$100 drawn from the membership rolls for which you must be present to win. Each month, the jackpot will increase by \$50 if the person whose name is drawn is not pre-sent. Come and join us.
- Schedule a confidential, one-on-one business planning session at the Chamber office facilitated by the trained business advisors from ASU's Small Business Development Center on a date convenient to you. Call the Chamber office at 655-4136.

See you soon,

Jim H. Hughes
Chairman of the Board

Leadership San Angelo Alumni Members Needed!

Here's your chance to be involved with one of the flagship programs of the Leadership Alumni Association. The annual Junior Leadership Forum is scheduled for Wednesday, January 26th and will provide an opportunity for over 100 area 10th graders to attend a one-day leadership training program. Each year's group participates in breakout sessions that focus on leadership skills training exercises, as well as group communications, problem-solving and team building. Volunteers are needed to serve as facilitators. Facilitators attend one training session (the day before the event) and then work with the teens on the day of the Forum. Please email facilitator/coordinator Jamie Akin at jamie.akin@angelo.edu if you are interested in helping or would like more information.

The Chamber of Commerce and the P-16+ Education Partnership will host College Goal Sunday in the Community Room at Sunset Mall on Sunday, February 27th from 2:00 to 4:00 p.m. All San Angelo and area high school students, especially seniors, are invited to attend.

What is College Goal Sunday?

College Goal Sunday (CGS) is a non-profit program which provides free support and information to families applying for financial assistance to fund higher education. CGS mobilizes financial aid and educational professionals from high schools, colleges, universities and communities to help families of college-bound students complete the Free Application for Federal Student Aid (FAFSA), the federally required form for students seeking financial aid, including grants, loans, and work-study.

By participating in this two-hour event, families of college-bound students will take an important step toward applying for the financial resources necessary to make college a reality. For more information about College Goal Sunday, visit www.collegegoalsundaytexas.org, or contact Peggy Arnold at 655-4136.

This year, for the first time, each RV space will also come with a designated 10'x10' pop-up tent area at the edge of the lake from which campers may watch the race.
