What is the Concho Cadre?

The Concho Cadre is the San Angelo Chamber's volunteer host welcoming group, serving the Chamber at various functions, including ribbon cuttings, luncheons, Business @ Happy Hours, Business Expo and other events. They are the ultimate ambassadors of San Angelo.

What are the benefits of joining the Concho Cadre?

If you are friendly, wear a smile and would like to learn about new businesses in town, we'd love to have you in the Concho Cadre. Through this organization, you will meet new business owners/managers, be able to network at Chamber functions, have the opportunity to leave your business information at each ribbon cutting location, and share the Chamber's goodwill throughout the local business community.

What are the requirements of joining the Concho Cadre?

Membership in the Cadre is completely free and open to the public. To remain a member in good standing, each Cadre member must attend a minimum of six (6) functions a year. These functions include all events of the Cadre: Cadre meetings, Chamber luncheons, Business @ Happy Hours, ribbon cuttings, and special events of the Chamber.
