

**Trinidad Aguirre**  
**President – TAJMER, LLC**

Trinidad Aguirre has been an active member of the San Angelo community for many years. He served as the Chair for the 2015 Charter Review Committee, current President of the Lake Nasworthy HOA, and is actively involved with the Chamber of Commerce, Economic Development Department, and the Small Business Development Center. He also acts as a mentor to ASU students by being a guest speaker to several classes through-out the year.

Trinidad retired from Verizon as President of Verizon S/W where he attained several awards for performance and was recognized as one of the top 100 most influential Hispanics in America. As a Board member for the Dallas Hispanic Chamber of Commerce he received many awards and was instrumental in re-writing the by-laws that are currently used. He is fluent in both English and Spanish and would be a great ambassador to San Angelo's Hispanic community and the Ports to Plains process.

He holds a bachelor's of business administration degree with a computer science concentration from Angelo State University, and a Master's degree in telecommunications from the University of Dallas.

Trinidad Aguirre's strength is his ability to work with individuals at all levels and ethnicities. He is comfortable in an Executive Board room where his knowledge can bring new Businesses to San Angelo and also working with the entrepreneurs trying to grow their business. He is currently working with both the Chamber and Economic Development to encourage Frontier Communications to add additional jobs in San Angelo.

Trinidad's leadership and professionalism would be a great asset to the Chamber of Commerce Board.
