Scholarship Applications Available

Do you have a college-bound senior that is looking at scholarship options? Do you have a friend or business associate who may be interested?

In 2009 your Leadership Alumni dues helped to fund four \$500 college scholarships. Thanks to all of the Alumni members who have supported the organization with your annual dues, the Board voted to help fund four scholarships in 2010. Scholarship application packets have been mailed to the high school counselor's office. These scholarships will be awarded this spring, so check it out on our website [www.sanangelo.org/chamber/LSA Alumni/Scholarships](http://www.sanangelo.org/chamber/LSA%20Alumni/Scholarships).
