The first two-day session of Leadership is all about team building, trust, cooperation, and encouragement. The weather was perfect for the challenge course at the Heart of Texas Baptist Encampment and at the end of the day, everyone was fired up and invigorated. During the 2nd day leadership skills training, the class becomes very well acquainted and equipped with the skills needed to complete the Leadership course. The class was all smiles, mixed with a little unique humor, and was ready to kick off the year!
