

# Utilities

**NATURAL GAS:** Natural gas service is provided by Atmos Energy in San Angelo. Residential, Commercial and Industrial service is available by calling the Atmos Energy Customer Call Center at 1-888-286-6700 or visit [www.atmosenergy.com](http://www.atmosenergy.com).

**ELECTRICITY:** Electrical wires service is provided by AEP-Texas. San Angelo is currently served with 13 transmission lines – 69,000 volts (4) 139,000 volts (6), 345,000 volts (3). Under de-regulation, San Angelo residents and businesses may select their own retail electric provider. Depending upon location, electric service may be provided by Concho Valley Electric Cooperative, the area’s electric cooperative ([www.cvec.coop](http://www.cvec.coop)). For detailed information on service providers and rates (excluding electric cooperatives), go to [www.powertochoose.org](http://www.powertochoose.org).

**TELECOMMUNICATIONS:** Frontier is the region’s principal provider of local telephone service and operates a 100 percent digital network. In addition to Frontier’s long-distance service, other long distance service providers with POPs in San Angelo include AT&T, Sprint, Century Link, CTTC, Space Age Communications, Suddenlink Communications, Texas Communications and West Central Wireless. Standard copper and fiber-based services provide a range of voice, video and data services and San Angelo businesses and residents can also obtain DSL, high-speed cable modem service, LMDS, wireless DSL, and digital satellite service.

**REFUSE SERVICE:** Refuse collection is provided by Republic Services, Inc., a private contractor who operates the City-owned landfill.
